NOTICE: Based on GAP insurance policies, a loan that has Guaranteed Asset Protection added in the loan can only have 2 payments skipped over the life of the loan.

Even though you sign and return this form, ineligible loans will not be deferred. *Forms will be mailed back to you if the loan is not approved for the skip-a-payment. The Credit Union is not responsible for forms in the mail.

A fee of \$25.00 will be charged for each loan requesting a skip-a-payment.

I have read this disclosure and understand that my regular monthly payment schedule will resume the month following the deferral. I also understand that deferring of loan payment (s) will result in extension of the term of the loan and that accrued interest will be paid upon receipt of the next loan payment.

President's Corner

At the end of October, your Board of Directors and other SAFCU Volunteers will meet with credit union staff to work on the SAFCU Strategic Plan. In the meantime, we will be surveying our members to determine what direction you would like us to take. This is one way we put our members first. "With members first, SAFCU succeeds, not just survives."
