

IMPORTANT NOTICE FOR OVERDRAFT COVERAGE

Your Right to Request Overdraft Coverage

Effective July 1, 2010, we will **NOT** pay your overdrafts for ATM withdrawals and debit card purchases you make at a store, online, or by telephone, **UNLESS** you tell us you want overdraft coverage for these transactions. Even if you do not request overdraft coverage for ATM withdrawals and debit card purchases, we may still pay your overdrafts for other types of transactions, including checks.

Having overdraft coverage does not guarantee that we will pay your overdrafts. If we decide to pay on overdraft, you will be charged fees as described below.

Overdraft coverage differs from other overdraft services we offer, such as linking your account to another account with us or an overdraft line of credit. See below for more information, including how to contact us if you want overdraft coverage to apply to your ATM withdrawals and debit card purchases.

Overdraft Fees

- We will charge you a fee of **\$25.00** each time we pay an overdraft.
- There is no limit on the daily fees we can charge you for overdrawing your account.

Other Ways We Can Cover Your Overdrafts

We offer other ways of covering your overdrafts that may be less expensive, such as linking your account to another account with us or an overdraft line of credit. Contact us to learn more about these options.
